

# ***What is the church?***

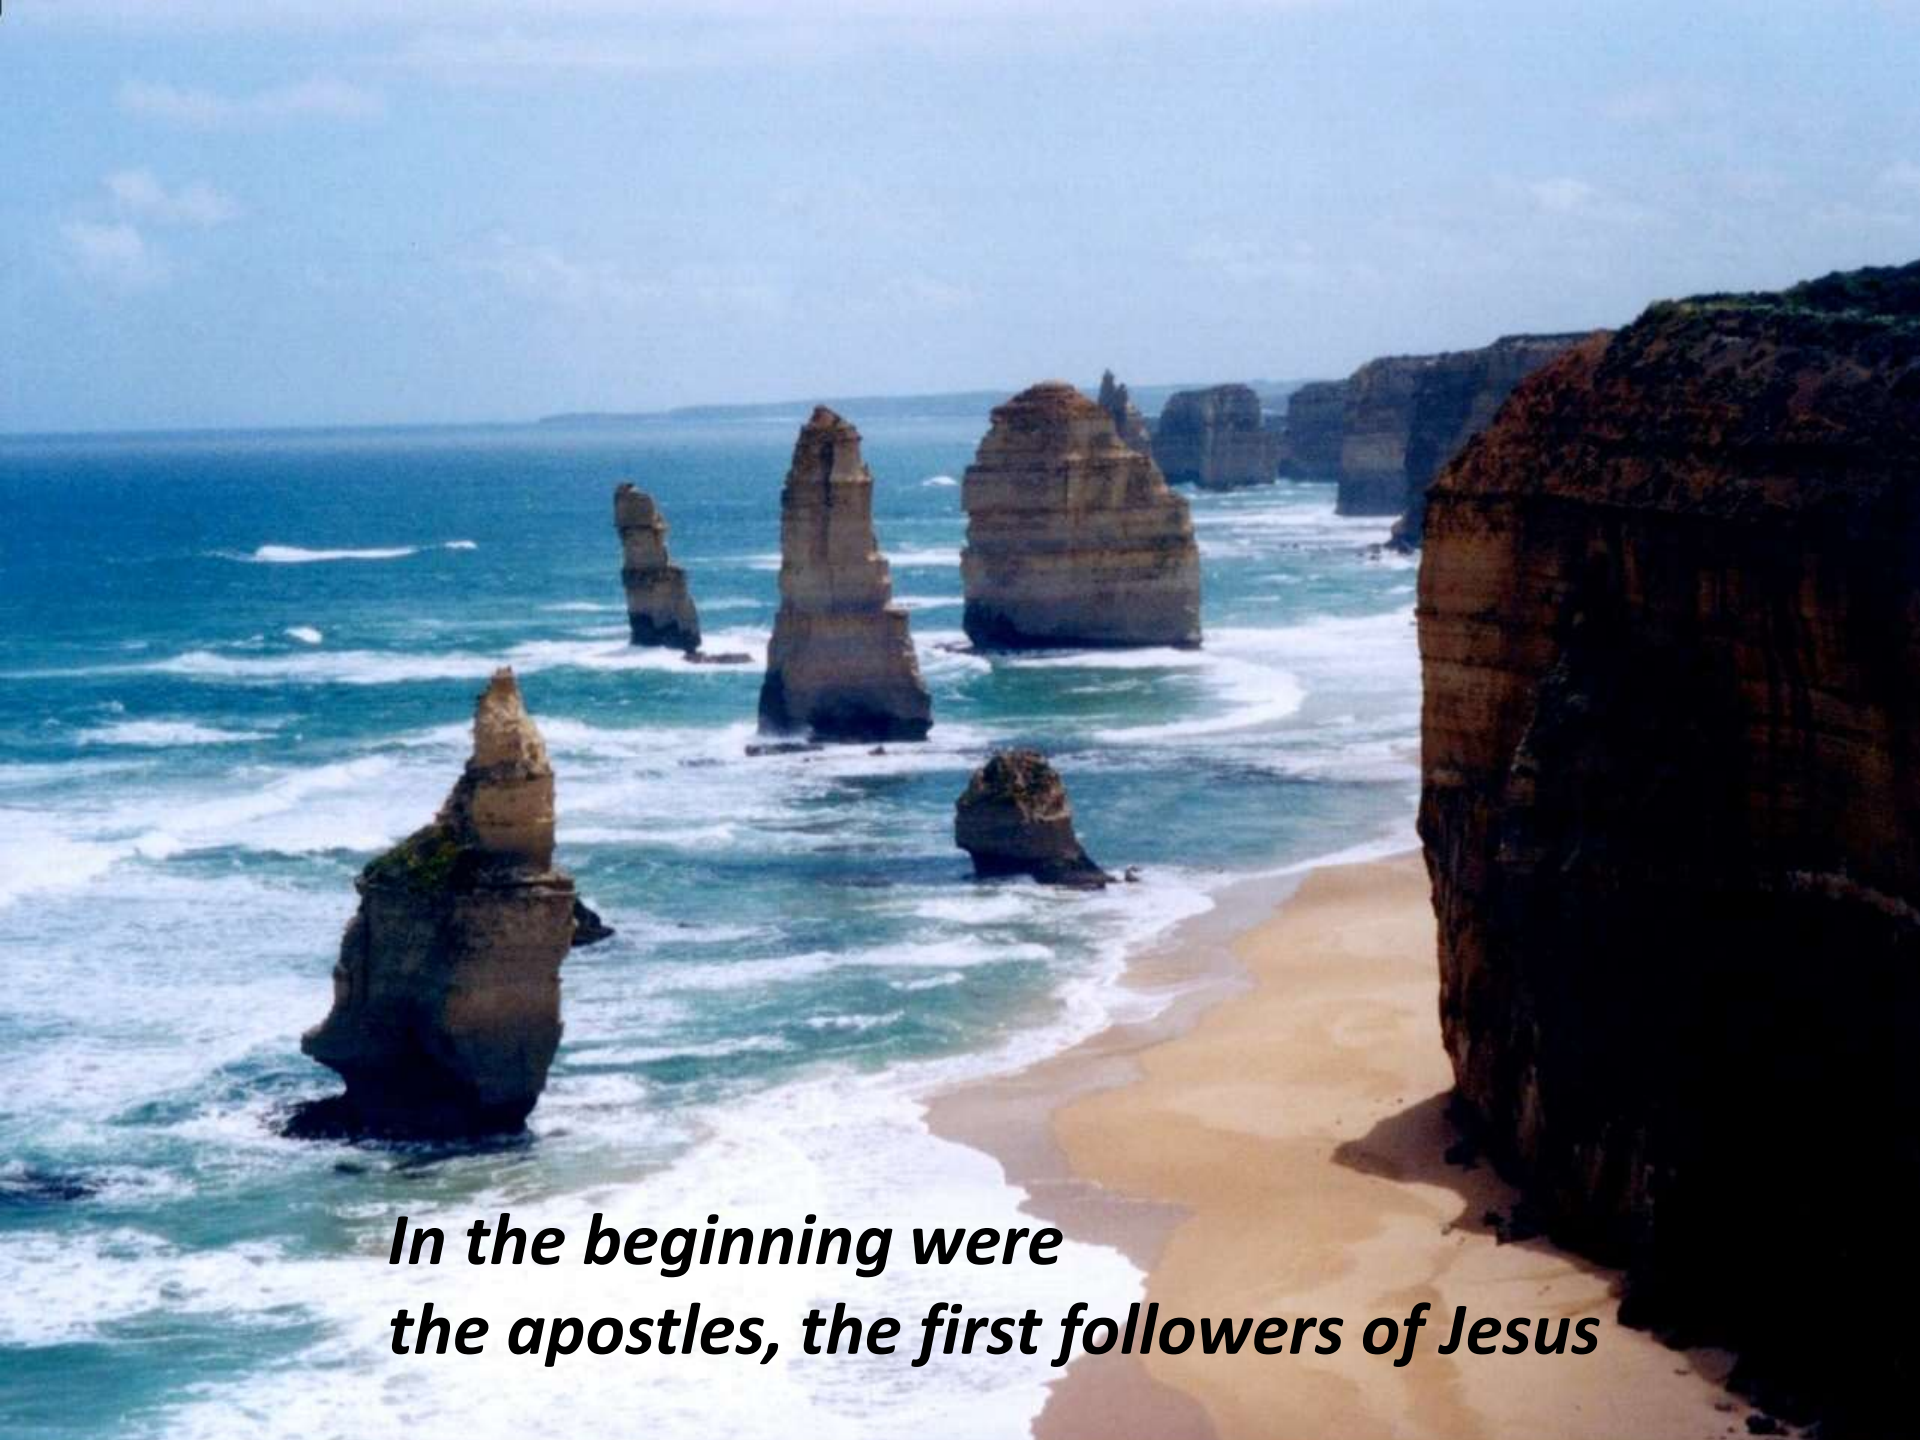

***This is a church building***

*People are the Church*

***In the beginning were  
the apostles, the first followers of Jesus***

*All who follow Jesus are the church*

A group of six pink and grey cockatoos are perched on a wooden platform. The platform is supported by a white pole. The background is a lush garden with green foliage and red flowers. The text "The church is people coming together" is overlaid in yellow at the bottom left.

*The church is  
people coming together*

*They come together to pray*

*They come together to listen to stories  
from the Bible*

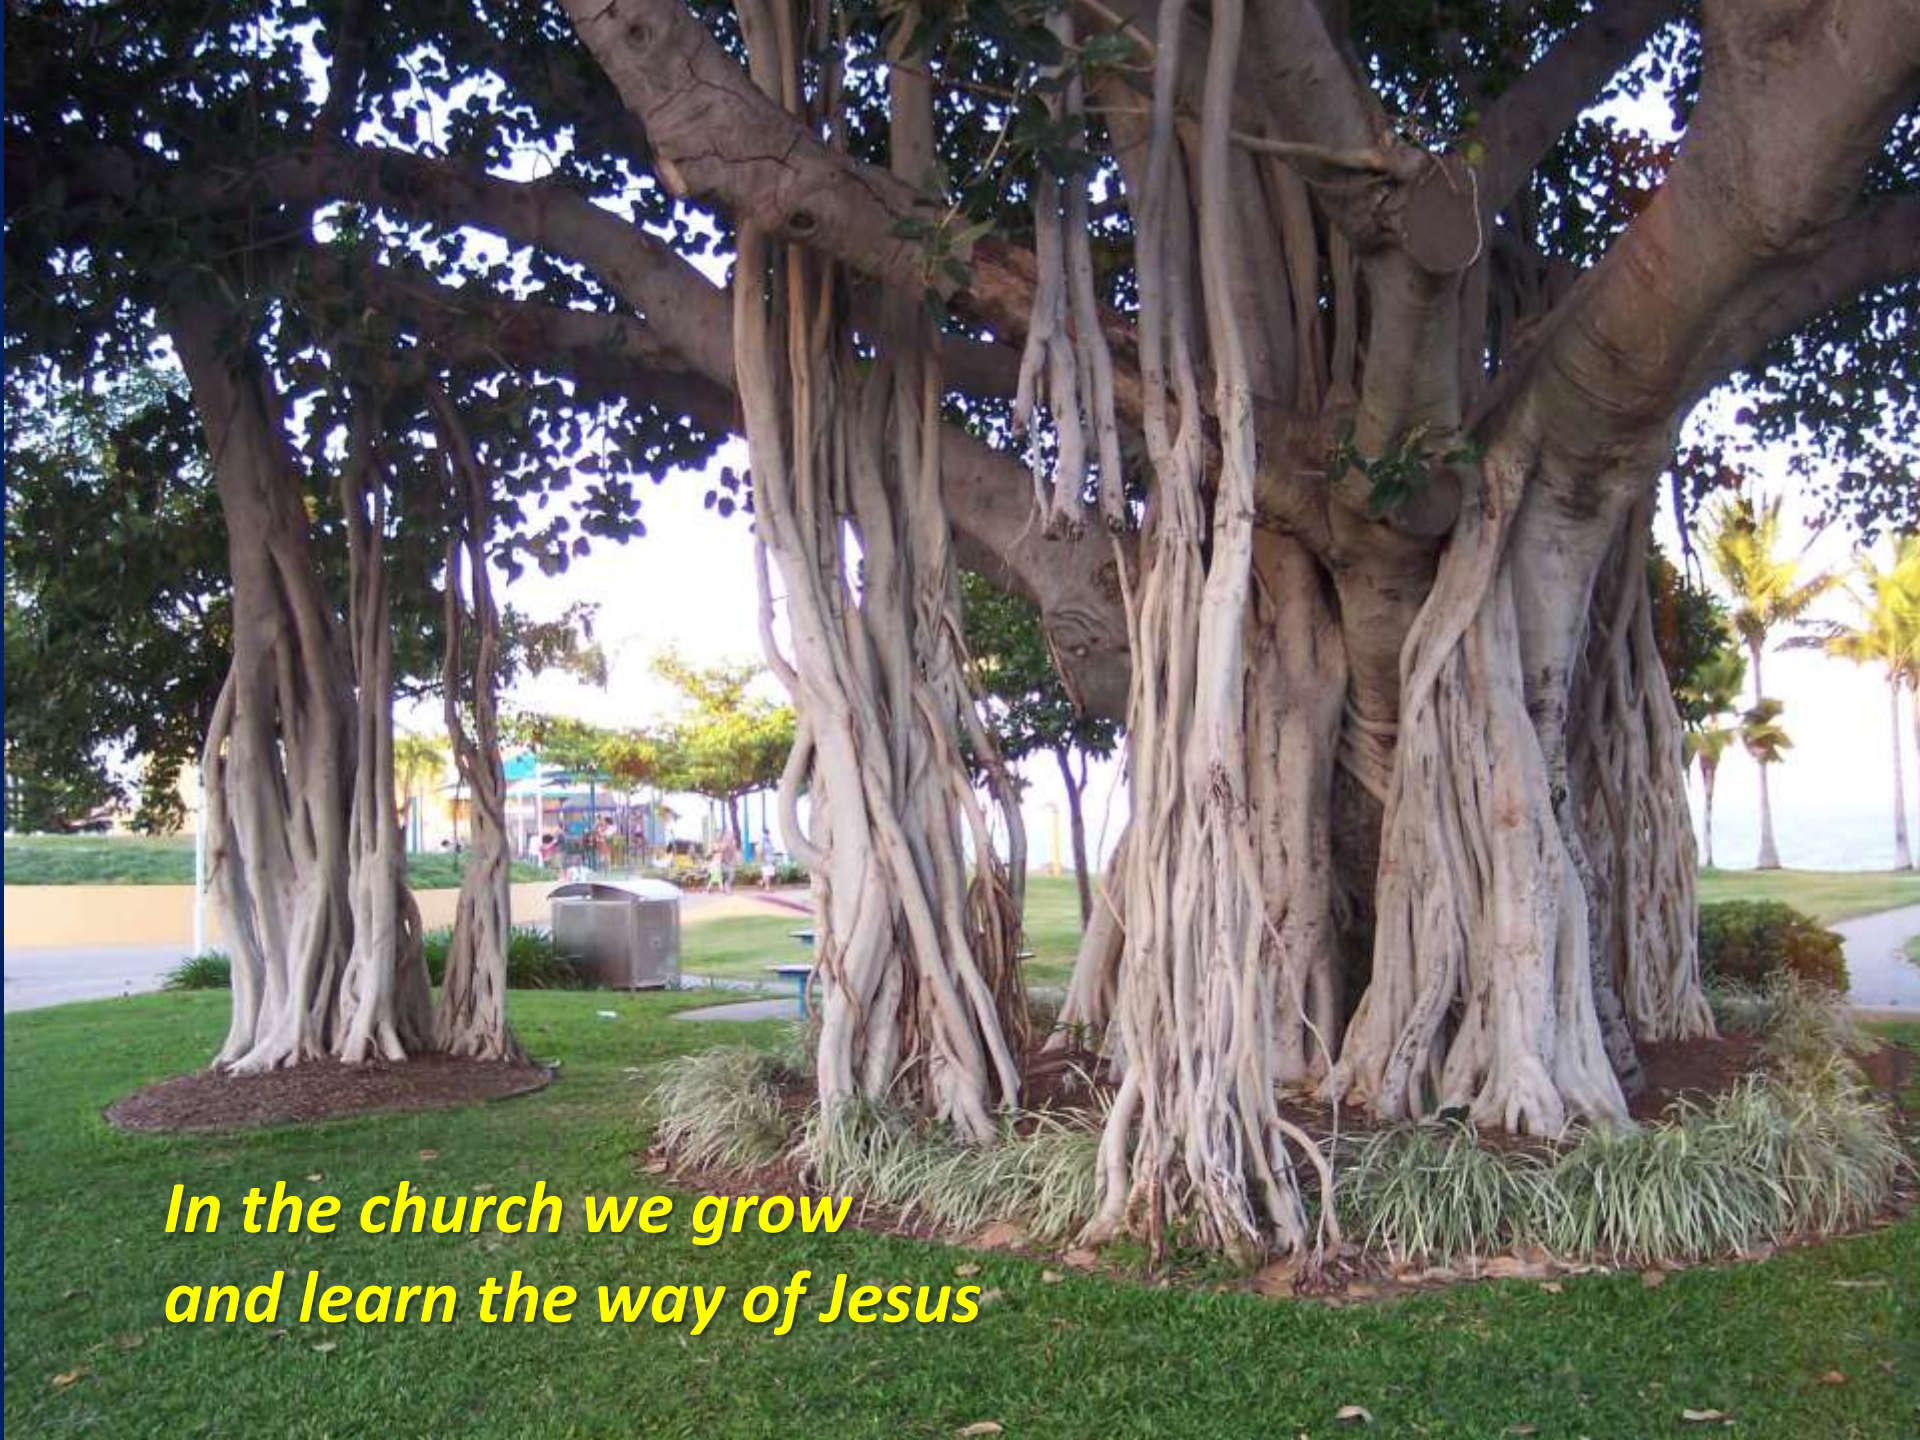

*They are not all the same*

*There's  
a place  
for  
everyone*

*In the church we grow  
and learn the way of Jesus*

*In the church we help people  
find their way*
